

LEON COUNTY RESOLUTION NO. R21-

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF LEON COUNTY, FLORIDA, AUTHORIZING AND ADOPTING A NON-AD VALOREM ASSESSMENT WITHIN THE COUNTY LIMITS FOR THE PURPOSE OF BENEFITING ASSESSED PROPERTIES THROUGH ENHANCED MEDICAID PAYMENTS FOR LOCAL SERVICES; PROVIDING FOR THE SCOPE, BASIS, AND USE OF THE ASSESSMENT; PROVIDING FOR THE COMPUTATION OF THE ASSESSMENT AND ADOPTION OF THE NON-AD VALOREM ASSESSMENT ROLL; PROVIDING FOR THE TIMING AND METHOD OF COLLECTING THE ASSESSMENT; PROVIDING FOR A PUBLIC HEARING; PROVIDING FOR RESPONSIBILITY FOR ENFORCEMENT; PROVIDING FOR SEVERABILITY; AND PROVIDING AN EFFECTIVE DATE.

RECITALS

WHEREAS, the private for-profit and not-for-profit hospitals in Leon County (the “Hospitals”) annually provide millions of dollars of uncompensated care to persons who qualify for Medicaid because Medicaid typically covers only about 60% of the costs of the health care services actually provided by Hospitals to Medicaid-eligible persons, leaving Hospitals with significant uncompensated costs (“Medicaid shortfall”); and

WHEREAS, the Medicaid directed payment program is a federally approved program that permits States to access federal funds through intergovernmental transfers (the “IGTs”) in order to direct the federal funds for managed care plan expenditures to hospitals for plan-covered services and offset hospitals’ Medicaid shortfall; and

WHEREAS, the State of Florida, Agency for Health Care Administration (AHCA), has received federal approval from the Centers for Medicare and Medicaid Services (CMS) to establish the Statewide Medicaid Managed Care hospital directed payment program (the “DPP”) to help offset hospitals’ Medicaid shortfall and improve quality of care provided to Florida’s Medicaid population; and

WHEREAS, the only properties to be assessed are the real property sites of the Hospitals’ licensed facilities; and

WHEREAS, Leon County, Florida (the “County”) recognizes that one or more Hospitals’ licensed facilities within the County’s boundaries may be located upon real property leased from governmental entities and that such Hospitals may be assessed because courts do not make distinctions on the application of special assessments based on “property interests” but rather on the distinction of the classifications of real property being assessed; and

WHEREAS, the funding raised by the County special assessment will support, through IGTs consistent with federal guidelines, additional funding for Medicaid payments to Hospitals to address the Medicaid shortfall; and

1 WHEREAS, the County acknowledges that the Hospital properties assessed will benefit
2 directly and especially from the special assessment as a result of the additional funding provided to the
3 Hospitals; and
4

5 WHEREAS, the County has determined that a logical relationship exists between the Medicaid
6 services provided by the Hospitals, which will be supported by the special assessment, and the special
7 and particular benefit to the real property of the Hospitals; and
8

9 WHEREAS, the County has an interest in promoting access to health care for its low-income
10 and under-insured residents; and
11

12 WHEREAS, leveraging additional federal support through the IGTs to fund payments to the
13 Hospitals for health care services provided to Medicaid eligible persons directly and specifically
14 benefits the Hospitals' properties and supports the Hospitals' continued ability to provide those
15 services; and
16

17 WHEREAS, imposing a special assessment limited to those Hospital properties to help fund
18 the provision of Medicaid services and the achievement of certain quality standards by the Hospitals
19 to residents of the County is a valid public purpose that benefits the health, safety, and welfare of the
20 citizens of the County; and
21

22 WHEREAS, the special assessment ensures the financial stability and viability of the Hospitals
23 providing such Medicaid services; and
24

25 WHEREAS, the Hospitals are important contributors to the County's economy, and the
26 financial benefit to these Hospitals directly and specifically supports their mission, as well as their
27 ability to grow, expand, and maintain their facilities in concert with the population growth in the
28 jurisdiction of the County; and
29

30 WHEREAS, the County finds the special assessment will enhance the Hospitals' ability to
31 grow, expand, maintain, improve, and increase the value of their properties and facilities under all
32 present circumstances and those of the foreseeable future; and
33

34 WHEREAS, the County is proposing a properly apportioned special assessment by which all
35 Hospitals will be assessed a uniform amount that is compliant with 42 C.F.R. § 433.68(d); and
36

37 WHEREAS, on September 14, 2021, the Board of County Commissioners adopted Ordinance
38 No. 2021-_____, enabling the County to levy a uniform non-ad valorem special assessment, which is
39 fairly and reasonably apportioned among the Hospitals' property interests within the County's
40 jurisdictional limits, to establish and maintain a system of funding for IGTs to support the non-federal
41 share of Medicaid payments, thus directly and specially benefitting Hospital properties.

38 of the Florida Statutes, and the Ordinance, the Board is hereby authorized to impose a special
39 assessment against the Assessed Properties located within the County to fund the non-federal share of
40 Medicaid payments associated with Local Services.
41

42 **Section 3. Special Assessment.**
43

44 The non-ad valorem assessment discussed herein shall be imposed, levied, collected, and
45 enforced against Assessed Properties located within the County. Proceeds from the Assessment shall

1 be used to benefit Assessed Properties through a directed payment program that will benefit the

12 **Section 4. Assessment Scope, Basis, and Use.**

13
14 Funds generated from the Assessment shall be used only to:

23 If, at the end of the Fiscal Year, additional amounts remain in the local provider participation
24 fund, the Board is hereby authorized either (a) to refund to Institutional Health Care Providers, in
25 proportion to amounts paid in during the Fiscal Year, all or a portion of the unutilized local provider
26 participation fund, or (b) if requested to do so by the Institutional Health Care Providers, to retain such
27 amounts in the fund to transfer to AHCA in the next fiscal year for use as the non-federal share of
28 Medicaid hospital payments.
29

30 If, after the Assessment funds are transferred to AHCA, AHCA returns some or all of the
31 transferred funding to the County (including, but not limited to, a return of the non-federal share after
32 a disallowance of matching federal funds), the Board is hereby authorized to refund to the Institutional
33 Health Care Providers, in proportion to amounts paid in during the Fiscal Year, the amount of such
34 returned funds.
35

36 **Section 5. Computation of Assessment; Adoption of Non-Ad Valorem Assessment Roll.**

37
38 The amount of the Assessment required of each Assessed Property may not exceed an amount
39 that, when added to the amount of other hospital assessments levied by the state or local government,
40 exceeds the maximum percent of the aggregate net patient revenue of all assessed Institutional Health
41 Care Providers in the County permitted by 42 C.F.R. § 433.68(f)(3)(i)(A). Assessments for each
42 Assessed Property will be derived from data contained in the respective Institutional Health Care
43 Provider's cost reports and/or in the Florida Hospital Uniform Reporting System, as available from the
44 Florida Agency for Health Care Administration.
45

1 Leon County hereby approves and adopts the Non-Ad Valorem Assessment Roll, which is
2 attached hereto as Exhibit A and incorporated herein as if fully set forth below. The Assessment for
3 fiscal year 2022 for each Assessed Property shall equal 0.20% of the respective Institutional Health
4 Care Provider's gross patient revenue as specified in the Non-Ad Valorem Assessment Roll.

5
6 **Section 6. Timing and Method of Collection.**
7

8 The amount of the assessment is to be collected pursuant to the Alternative Method outlined in
9 Section 197.3631, Florida Statutes.

10
11 The County shall provide Assessment bills by first class mail to each affected Institutional

16 Property and/or improvements equal in rank and dignity with the liens of all state, county, district or
17 municipal taxes and other non-ad valorem assessments.

18
19 No act of error or omission on the part of the Comptroller, Property Appraiser, Tax Collector,
20 Assessment Coordinator, Board, or their deputies or employees shall operate to release or discharge
21 any obligation for payment of the Assessment imposed by the Board under the Ordinance and this
22 Resolution.

27 of all interested persons prior to rendering a decision on the Assessment and attached Non-Ad Valorem
28 Assessment Roll.

29

31

32 The County and its agent, if any, shall maintain the duty to enforce the prompt collection of the

35 other appropriate proceedings or actions.

36
37 **Section 9. Severability.**
38

39 If any clause, section, or provision of this Resolution is declared unconstitutional or invalid for
40 any reason or cause, the remaining portion hereof shall be in full force and effect and shall be valid as
41 if such invalid portion thereof had not been incorporated herein.
